

## Brokerage Services

FAB Support can help you to complete a self-assessment and negotiate your Individual Budget. We can support you to recruit, check, train and manage your own personal assistants or help you to choose a care agency to provide the support you need. We can support you to complete the financial returns needed by your funding agency and help you to keep all of the records you need.

FAB Support can act as a housing broker, to find you the right place to live. We can negotiate tenancy agreements with private and social landlords and help you to think about other accommodation options including shared ownership. We can support you to assess Keyways and to bid on the properties you are eligible to be considered for. For more information please contact [info@fabsupport.org](mailto:info@fabsupport.org)
